If the plan is utilized within the cancellation period and discounts are received the cancellation period is void and no refunds will be given. FL Residents: You have the right to cancel within 30 days after the effective date. If for any reason during this time period you are dissatisfied with the plan and wish to cancel and obtain a refund, you must submit a written cancellation request. AVS will accept and cancel plan memberships at any time during the membership period and will cease collecting membership fees in a reasonable amount of time, but no later than 30 days after receiving a cancellation notice. Description of Services: Please see the enclosed materials for a specific description of the programs that you have purchased.

Limitations, Exclusions & Exceptions: This program is a discount membership program offered by Careington. Careington is not a licensed insurer, health maintenance organization, or other underwriter of health care services. No portion of any provider's fees will be reimbursed or otherwise paid by Careington. Careington is not licensed to provide and does not provide medical services or items to individuals. You will receive discounts for medical services at certain health care providers who have contracted with the plan. You are obligated to pay for all health care services at the time of your appointment. Savings are based upon the provider's normal fees. Actual savings will vary depending upon location and specific services or products purchased. Please verify such services with each individual provider. The discounts contained herein may not be used in conjunction with any other discount plan or program. All listed or quoted prices are current prices by participating providers and subject to change without notice. Any procedures performed by a non-participating provider are not discounted. From time to time, certain providers may offer products or services to the general public prices lower than the discounted prices available through this program. In such event, members will be charged the lowest price. Discounts on professional services are not available where prohibited by law. This plan does not discount all procedures.

How Does It Work?

- 1 To find a participating dental care professional, visit our website www.avsdental.com or call our client services department at 800-287-5586
- 2 Make an appointment directly with the participating dental provider and make sure to mention that you are a member of AVS Dental Plan featuring the Aetna Dental Access Network.
- 3 At your dental appointment, simply show your membership card and you'll receive an instant discount off the cost of services. Just pay the total discounted fee at the time you receive service.

Providers are subject to change without notice and services may vary in some states. It is the member's responsibility to verify that the provider is a participant in the plan. At any time Careington may substitute a provider network at its sole discretion. Careington cannot guarantee the continued participation of any provider. If the provider leaves the plan, you will need to select another provider. Providers contracted by Careington are solely responsible for the professional advice and treatment rendered to members and Careington disclaims any liability with respect to such matters.

Complaint Procedure: If you would like to file a complaint or grievance regarding your plan membership, you must submit your grievance in writing to: Careington International Corporation, P.O. Box 2568, Frisco, TX 75034. You have the right to request an appeal if you are dissatisfied with the complaint resolution. After completing the complaint resolution process and you remain dissatisfied, you may contact your state insurance department.
